

ABOUT AMY

Amy has been an educator for over 32 years. In 1992 she graduated from **SUNY New Paltz** earning a **B.A in Elementary Education** with a **concentration in Mathematics**. In 2002, she graduated from **Seton Hall University** with a **masters in Supervision and Curriculum**. Over her career, Amy has been recognized as a teacher leader. She has written curriculum for her district and led professional development for her colleagues. Amy has been a member of NCTM, National Council of Teaching Mathematics.

Over Amy's career in education, she has taught all subjects in 3rd, 4th and 5th grade classrooms as well as tutored students ranging from 3rd - 9th grades. She has been trained in the Reading and Writing Workshop model as well as multiple math programs, such as Math in focus, Eureka Squared, Everyday Math.

Amy's greatest attribute is a belief that all children can learn. Especially when they feel connected to those teaching them. She has worked with children of all abilities from gifted to those needing special education. Tutoring has brought a lot of joy into her life as she watches students grow and learn.
